Donation Opportunity

Have a customer who doesn't want to purchase nuts or candy for themselves? No problem—offer them Care to Share! The Care to Share program allows customers to donate a nut or candy item to a local food bank for just \$7! Last year, our council donated almost 6,000 items to local food banks in western Ohio and southeast Indiana.

Want to be a Stellar Seller?

Try asking each customer if they want to buy one item for Care to Share! Ask 20 friends and family to purchase an item and sell an additional 20 items!
