Building girls of
*courage,
 confidence,
 & character*
 who make the world
 a better place!

Girl Scout Law

I will do my best to be
 honest and fair,
 friendly and helpful,
 considerate and caring,
 courageous and strong,
 and responsible for what
 I say and do,
 and to
 respect myself and others,
 respect authority,
 use resources wisely,
 make the world a better place,
 and be a sister to every Girl Scout.

Girl Scout Promise

On my honor, I will try:
 To serve God and my country,
 To help people at all times,
 And to live by the Girl Scout Law.

What sets us apart? *The Girl Scout Program!*

Have you ever wondered: “How do I build girls of courage, confidence, and character?” The answer is as simple as 1-2-3!

1. Know where you're going before you start:

Become familiar with the five outcomes we want girls to achieve through Girl Scouts:

<p>Develop a Strong Sense of Self: Girls have confidence in themselves and their abilities, and form positive identities.</p>	<p>Promote Positive Values: Girls act ethically, honestly, and responsibly, and show concern for others.</p>	<p>Seek Challenges: Girls learn to take appropriate risks, try things even if they might fail, and learn from their mistakes.</p>	<p>Foster Healthy Relationships: Girls develop and maintain healthy relationships by communicating their feelings directly and resolving conflict constructively.</p>	<p>Learn Community Problem Solving: Girls contribute to the world in purposeful and meaningful ways, learn how to identify problems in the community, and create “action plans” to solve them.</p>
				

2. Offer activities from the four Program Pillars:

<p>S.T.E.M.: Science, Technology, Engineering, Math: Activities help girls develop problem-solving and critical thinking skills to build their confidence.</p>	<p>Outdoor: Develop outdoor skills over time. This can be as simple as meeting outdoors and working toward more adventurous outdoor exploration.</p>	<p>Life Skills: Develop key life skills girls can use forever, like financial literacy, first-aid, and more. Badges are great for this!</p>	<p>Entrepreneurship: Participate in the Girl Scout Cookie and Fall Product programs to build key entrepreneurial skills girls will use for a lifetime! See the back cover of this guide for more information.</p>
			

3. Incorporate these program processes into your activities:

Girl Led:
Girls shape their experience by asking questions, offering ideas, and using their imaginations.

Learning By Doing:
Girls learn through hands-on activities, talking about what they did, and reflecting on how they would do it differently next time.

Cooperative Learning:
Girls work together to brainstorm ideas and problem solve their way toward a common goal.

Make your experience even better!

Engage Families

- Host family-friendly events and a caregiver meeting.
- Connect parents to the Volunteer Toolkit, so they can see what girls are doing each meeting.
- See page 11 for other family-friendly events.

Earn Awards

- **Badges:** Girls build skills
- **Journeys:** Girls build skills, learn, and then take action to make the world a better place.
- **Awards:** Girls earn these on a variety of topics including leadership and mentoring.
- Support girls to earn one of the Highest Awards: Bronze, Silver, and Gold

Build Connect to the Larger Girl Scout Sisterhood

- Attend a Girl Scout event in your local service unit to meet other Girl Scouts.
- Attend a council-sponsored event. This book is full of them!
- Attend a community partner event.
- Learn about the history of Girl Scouts.
- Set up a meeting where younger girls learn from older Girl Scouts.
- Practice Girl Scout traditions and allow girls to create their own, by incorporating:
 - The Girl Scout Promise and Law into all activities
 - Meaningful, girl-planned ceremonies, like bridging and court of awards
 - Girl Scout Spirit—Wear Girl Scout uniforms at meetings, events and on field trips

Make a Difference Through Civic Engagement

- Help girls explore their community through service and take-action projects.

Make it Happen!

A handy troop checklist.

Here are 10 essential things you can do to make your troop year a success!

- Host an investiture ceremony/parent meeting at the beginning of the year. Let the girls do the planning, and invite the whole family to attend!
- Start each meeting with the Girl Scout Promise and Law. Ask girls to share examples of how they have used the Promise and Law in their lives since the last meeting.
- Set a plan to earn 4 badges. Events in this book can help you or visit the Volunteer Toolkit
- Help the girls decide what they want to do this year in Girl Scouts. What badges, Journeys, and awards do they want to earn? What events would they like to attend?
- Attend a council-sponsored event to try new things and meet other Girl Scouts.
- Attend a community-sponsored event to explore your community and connect with experts.
- Complete a Girl Scout Journey, including a take-action project at the end.
- Participate in the cookie program to build to your troop budget to achieve the girls' goals. Don't forget about the Fall Product Program, too!
- Get girls outdoors! Do an age appropriate outdoor experience or just go for a hike in a local park or meet outside. Check out the events in this book to get you started.
- Recognize girls' accomplishments. Host a bridging event or a court of awards ceremony at the end of the year. Invite the whole family, and let the girls take the lead.

Registration

Community-Sponsored Events

These events are hosted by amazing community partners, who focus activities on the Girl Scout leadership program. Leaders (or other approved adults) are required to attend events with their troop and are responsible for ensuring the safety of the girls. Community partner facilitators are never counted in ratio for the girls.

How to register

Registration for these events is managed by the community partner. Contact information is included in community-sponsored event listings.

Open and close dates

- Community-sponsored events open and close dates may vary. Please check with the community partner for exact dates.

Council-Sponsored Events

These events are led by staff, community partners, or volunteers. Leaders or other approved adults are required to attend events with their troop (unless otherwise specified) and are responsible for ensuring the safety of the girls.

How to register

Registration for these events is managed through the council website at gswo.org/events.

- * Remember to use **zipcode 45242** when searching for virtual events.

Open and close dates

- **August 9, 2022:** Registration opens for program events in September-December.
- **November 9, 2022:** Registration opens for program events in January-August, unless otherwise noted.
- **Council-sponsored events** will close two weeks prior to the event, unless otherwise noted. Check the online registration page for exact closing dates. If the event you are registering for has already closed, you can call the contact person listed to see if there are any additional spots left in the activity.
- **Parents may attend any one-day event with their Girl Scout!** Any parents chaperoning are only responsible for their own child.
- **All overnights** require an approved volunteer.

Confirmation Packets

Once you have registered for an event, you can access confirmation information any time, by logging into your **MyGS account** and clicking on "**My Activities.**" Under each event name, you'll find an attachment with confirmation information. **Note:** Only the person who makes the event reservation can see this in their My Activities tab.

Who can attend events?

Girls

Girls must be registered members who meet the Girl Scout grade-level recommendations for the event. However, any girl in grades K-12, who is not a currently registered Girl Scout, may register as a member and attend events and activities.

Leaders

Leaders, or other approved adults, are required to attend events with their troop and are responsible for ensuring the safety of the girls unless otherwise noted.

Girls attending individually

Unless otherwise noted, Girl Scouts can attend most council program events without a troop. Caregivers must chaperone and be responsible for their Girl Scout at an event. All overnights require adults to be approved volunteers which requires active membership and background check.

Families

There are certain events that guardians and siblings can also join in the fun. Find those great events in this Event Guide!

Refund Policy

If I cancel, can I get a refund?

- In order to receive a refund, a written request must be received 30 days prior to the event date.
- **No refunds** will be given after the cancellation deadline with the following exceptions:
 - **Weather:** If a severe weather warning is issued, the leader must notify the Girl Scout Center or appropriate contact listed in their confirmation materials prior to the intended departure time.
 - **Illness or Accident:** Refundable with a physician's statement.
 - **Transfer:** If a child moves from the Girl Scouts of Western Ohio jurisdiction prior to the date of the event, a refund will be issued.

How to Locate and Sign Up for GSWO Events

Visit our website at gsw.org

- On the content banner click on “**Events**”. Here you will see a list of all the different event categories listed on the left side of the page.
 - You can click on each category to see full details.
- OR*
- On the content banner click on “**MyGS**”
 - You will be prompted to log in. Select the yellow “**Join**” box in the upper right corner. Scroll down and select “**Find Events**”

Discover upcoming events in a variety of ways.

- **Explore Events:** Use filters to narrow down your search, remember to put your zip code in and change the radius of your search. If you are looking for something GSWO specific. Select the box “Show only the events of My Council.” Virtual events are all listed under zip code 45242, so use that when searching!
- **Event List:** Events are listed by month and name. “Advance Search” on this page will allow you to filter options and categories.

Art Badges

d b i c s a

Our organization assists Girl Scouts in completing art badges. We open our studio three times a month specifically for Girl Scouts. A Brush of Hope has teachers that know the guidelines for completing the badges as well as provides the supplies and materials. A Brush of Hope also has a patch that is passed out to every Girl Scout that completes a badge in our art studio.

STEM Career Exploration - Archaeologists in the Field

b f c

Girl Scouts can enjoy their own excavation at an archaeological site. They will learn the same techniques that archaeologists use at the dig site, including excavation, screening, and artifact analysis. This experience includes the River of Time presentation, simulated dig experience, sifting, and mapping.

STEM Career Exploration - Archaeologists in the Lab

b f c

Girl Scouts can experience the work that archaeologists do in the lab. They will begin their experience with a series of fun activities giving background knowledge to archaeology and the Guard Archaeological Site. These activities include a magnetometry activity, a unit mockup to teach context, and a mapping activity. In the second part of the experience, Girl Scouts will get to learn about and contribute to real archaeological analysis by touring an archaeological lab, talking to archaeologists performing research, and washing artifacts. They'll be working with real archaeological materials that are around 1,000 years old!

Maple Magic for Girl Scouts

Learn the history and mystery of Ohio's first sweet product, maple sugar! We will tap maple trees, collect sap, and learn how to turn it into that sweet stuff we all know so well. After tapping maple trees and a nice walk through the "suagrbrush" visit the working maple evaporator and taste samples of real California Woods syrup. Meet other troops and ages along the way. These programs fill very quickly, reserve your spot early. Register online only. Online registration goes LIVE on November 1, 2022.

Mysterious Maestro with the Dayton Philharmonic Youth Orchestra

d b j c s a

The Mysterious Maestro is a concert story about a girl named Hannah who loves to sing but has moved to the town of Hamelin where music is forbidden! Hannah breaks the musical silence with the help of a gossipy rat and her own passion for grand music. Eventually, she melts the heart of a desperate conductor and frees his imprisoned orchestra. With music of composers like Verdi, Mendelssohn, and Liszt, The Mysterious Maestro explores the nature of musical perfection and a passion that restores the beauty of music in Hamelin for all to enjoy! Shooting Sports

c s a

Do you love hitting the target? Taking part in shooting sports and learning proper safety procedures and handling techniques can promote positive traits in girls such as patience, determination, focus, attention to detail and persistence. Girls will learn about firearms; developing skills based on proper procedures and form, such as handling the firearm, loading the ammunition, getting the right stance, sighting, and observing safety practices. By using firearms ranging from BB guns to pistols, girls will be learning about hitting the target and how to develop a responsible and safe attitude when using firearms.

Stop The Bleed

j c s a

Uncontrolled bleeding is the number one cause of preventable death from trauma. The greater the number of people who know how to control bleeding in an injured patient, the greater the chances of surviving that injury. You can help save a life by knowing how to stop bleeding if someone, including yourself, is injured. In this course, you will learn the various ways to control bleeding, whether you only have your two hands to use or whether you have a full trauma first aid kit available to you.

Volunteer Opportunities

b j c s a

Girls will apply labels reading “No Dumping” and the name of the watershed on storm drains in their community. The process is easy: 1) clean off the surface where storm drain will be applied; and 2) apply the peel-and-stick label. Hamilton County Conservation District will kick-off the event by presenting to girls about watershed management using a model watershed or “Enviroscape”. (2) Girl Scouts will pick up litter along the banks of the Great Miami River at Heritage Park during a regionally coordinated event. This event will take place September 17, 2022. Participants will receive a free t-shirt. Patch included!

Caring for Our Watersheds

s a

The Caring For Our Watersheds (CFW) program empowers students in grade 9-12 to imagine, develop and create solutions in their local watersheds. CFW is an environmental proposal contest and project funding opportunity. The program promotes watershed awareness and stewardship, values student ideas and offers support while turning ideas into action. Students develop a proposal to the question, "What can you do to improve your watershed?" The top proposals will be matched with a mentor to help implement their ideas and will present their final project. Winners will receive monetary prizes (from \$300-\$1,000) for themselves and their school or club.

Troop Trips

The possibilities for your next trip are endless. Plan a day trip to local park, take a tour of Savannah GA, or fly across the pond to the UK. Whatever you decide it's bound to be an experience you will never forget. With the proper training your troop can quickly become savvy travelers. A troop leader will need to complete travel training and fill out forms found on our website to get council approval and guidance.

Destinations

Individual Girl Scouts can check out Girl Scout Destinations, the ultimate adventure program for girls ages 11 and older. With a ton of different trips to apply for every year—from surfing camp on the east coast and breathtaking hikes out west, to the crazy-cool wonder of new cultures abroad—there's something amazing for everyone to experience. Visit gswo.org/destinations to find your next Destination!

Want to know more? Attend a virtual Destinations Exploration Zoom meeting to learn about the Destinations program, how to apply, financial planning and assistance, and more! Get ready for your next big adventure, it'll change your life!

Adopt a Pet!

b f

In this workshop, we'll explore the joys and challenges of pet ownership, but on a smaller scale! Participants will "adopt" a stuffed friend and create a tiny home for it in class. We'll talk about the specific care that each pet needs. We'll discuss as a group what it takes to keep a pet comfy, healthy and safe, while also making them feel loved. We'll bring it all together in a creative way - by sculpting their food, treats, toys, bowls and more! When you've earned this badge, you'll be super prepared to take care of your new stuffed friend!

Earn Your Potter Badge

b

Explore the history of clay art and become a clay artist yourself! In this hands-on class you will gain valuable knowledge to build and sculpt with clay. We'll talk about different clay types and determine which is best for this project and others. Together, we will sculpt a pinch pot and a coil pot. Your handmade pottery from class will take about a week to dry, so you will be sent home with paint and a topcoat to complete your painting and glazing at home or your next Girl Scout meeting.

Book Artist Badge

c We've all seen and owned books, but oftentimes the unique artistry of book making itself is overlooked. In this class we will create and bind our very own books which can be used as soon as class is complete! We will start by determining the functionality of our books and choosing the correct paper for it. Will it be a sketchbook, journal or planner? You decide! We'll explore fun techniques and create a cover unique to each girl that focuses on both function and style. Lastly, we'll complete our books by binding them! This class is fun AND rewarding!

The journey begins by exploring the Women of Woodlawn, documenting their story and expressing it in "It's your story tell it". At Women's History Scavenger girls will begin to unlock the stories. Provided with Story's in Stone materials and Women History Ambassadors Girl Scouts are guided on a journey of discovery. Understanding the many contributions our local women have made in our community, girls discover what is possible and gain confidence to become leaders in their own lives and in the world. Girls also have the opportunity to showcase their stories during a Trees and Tombstone public event.

Highest Awards

The Girl Scout Bronze, Silver and Gold Awards are the highest honors a Girl Scout can earn. Through them, girls impact their communities, challenge themselves, and gain an edge after high school.

Gold Award

The Girl Scout Gold Award represents the pinnacle of Girl Scout leadership progression. Open to Girl Scout Seniors and Ambassadors, this prestigious award challenges them to change the world by solving a community problem in an innovative and sustainable way.

Silver Award

The Girl Scout Silver Award is the highest award a Girl Scout Cadette can achieve and gives girls a chance to work with a small team or as an individual. Girls focus on projects that make lasting change in their communities.

Bronze Award

The Girl Scout Bronze Award is the highest award a Girl Scout Junior can earn. Girls work together as a group to complete a Take Action project that directly benefits the Girl Scout community, or the girls' local community or neighborhood.

The Gold Advantage

The Girl Scout Gold Award not only impacts the community where a girl lives but it also can impact the future of the Girl Scout who earns the award.

Gold Award Girl Scouts join an elite group of women. These women have not only gained courage, confidence, and character, but have demonstrated that they can work hard and change their world. Gold Award projects must be sustainable, meaning they will continue impacting the community long after the Girl Scout has completed her 80 hours of work.

These projects help girls develop lasting legacies from a young age. Earning a Gold Award doesn't just help a girl develop while she's in Girl Scouts, it helps her get ahead in life.

The Gold Award can help girls get college scholarships, stand out during the college application process, and enter the military at least one rank higher than other recruits. Proving once again that Girl Scouts is the best leadership development program for girls.
