

Ambassador Journey Overview

Title	Badges	Description <small>*All Journeys require a Take Action Project related to the Topic*</small>	Community Resources
It's Your Story—Tell It: BLISS: Live it! Give It!		Learn to fulfill your dreams and help others realize their dreams as well; invite an athlete to talk about how she pursued a goal, write songs or artwork about following dreams, or share stories about women who successfully pursued their goals.	<ul style="list-style-type: none"> • Music Studio/Musician • Magazine Publisher • Negotiation Expert • Entrepreneur • Media Outlet • Ad Agency
It's Your Planet—Love It: Justice		Identify global environmental issues and create your own vision for change. Address food and land-use issues, improve food delivery systems, fight hunger in developing nations, or rediscover healthy eating traditions.	<ul style="list-style-type: none"> • Water Management Site • School Board Meeting • City/Council Meeting • Recycling Operation • Advertising Agency • Chemical Plant
It's Your World—Change It: Your Voice, Your World: The Power of Advocacy		Find out how to advocate for change by networking, planning, and speaking up for what you believe in— invite a woman advocate to speak about her work or visit your state capital to find out how to advocate for causes you believe in.	<ul style="list-style-type: none"> • Woman Advocates/Nonprofits • PR Firm/Marketing Agency • Public Speaker/Improviser • Time Management Expert • School Board Meeting • City Hall/State Capitol • Town Meeting • College Visit
Outdoor		Deepen your outdoor skills when you earn your Outdoor Art Master, Water, and Survival Camper Badges.	<ul style="list-style-type: none"> • CSA Astronomy/Naturalist/Trailblazers • College Astronomy/Geography Dept. • Wildlife Sanctuary/Zoo/Aquarium • State/National Park or Forest • Campground/Outdoor Store • Planetarium/Observatory
Think Like a: Citizen Scientist		Find out how citizen scientists make observations, collect data, and help scientists conduct scientific research. Do three observation sessions of a citizen science project from SciStarter.	<ul style="list-style-type: none"> • Wildlife Sanctuary/Zoo/Aquarium • State/National Park or Forest • College Science Department • Scientist/Science Teacher • Science Center/Museum
Think Like a: Programmer		Find out how programmers use computational thinking to solve problems. Build a message-sending machine out of everyday objects to learn about binary, develop an algorithm to find the smallest playing card in a row of cards, and design an app that solves a problem for others to explore user-centered design.	<ul style="list-style-type: none"> • College Computer Science Department • Computer Systems Engineer/Analyst • Software Application Developer • Programming Website for Kids • Business Intelligence Analyst • Web Developer/IT Specialist • Computer Programmer • Tech Museum
Think Like an: Engineer		Find out how engineers use design thinking to solve problems. Do three design thinking activities: design and build prototypes of an animal enrichment product, a zip line course, and mobility equipment.	<ul style="list-style-type: none"> • Society of Women Engineers • Science Center/Museum • Army Corps of Engineers • Engineering Professor • First Lego League
