

Junior Journey Overview

Title	Badges	Description <small>*All Journeys require a Take Action Project related to the Topic*</small>	Community Resources
It's Your Story—Tell It: aMUSE		<p>Explore roles you play in your life and try on new ones— play a role-playing game, invite actors to talk about the characters they've played, or learn to spot stereotypes. Put on a performance that creatively urges an end to stereotyping, draw a graphic novel for younger girls or start a “mix it up” day in the school cafeteria and have girls sit with new people.</p>	<ul style="list-style-type: none"> • Photography Studio/Photographer • Community Theater/Playhouse • Woman-Owned Business • Television/Radio Studio • Dance Studio • Art Museum • Storyteller
It's Your Planet— Love It: GET MOVING!		<p>Explore energy and how to use it wisely by interviewing power-use experts and conducting energy audit of a building in your community. Fix an energy problem in your community, launch carpools, work to dim the lights on city buildings, or promote energy saving at your school.</p>	<ul style="list-style-type: none"> • Recycling and Solid Waste District • Green Energy Building/Company • City/Town Council Meeting • Newspaper/News Studio • Science/Tech Museum • Park/Cornfield Maze • Utility Department • Grocery Store
It's Your World— Change It: Agent of Change		<p>Explore how powerful individual women have been throughout history, how your own individual powers can be linked together to create a powerful team, and how your team power can become community power.</p>	<ul style="list-style-type: none"> • Courthouse/Government Office • Obstacle Course/Low Ropes • Yoga/Retreat Center • Comic Book Store
Outdoor		<p>Deepen your outdoor skills when you earn your Animal Habitat, Camper, and Eco Camper badges. Help make your favorite park, beach, or forest a better place for everyone.</p>	<ul style="list-style-type: none"> • Campground/Girl Scout Camp • Wildlife Sanctuary/Zoo • Greenhouse/Nursery • Park
Think Like a Citizen Scientist		<p>Find out how citizen scientists make observations, collect data, and work with scientists to receive feedback on research. Do three citizen science activities: sharpen your observation skills through two observation games and a SciStarter Project.</p>	<ul style="list-style-type: none"> • Wildlife Sanctuary • Science Teacher • Science Center • Scientist • Park
Think Like a Programmer		<p>Find out how programmers use computational thinking to solve problems. Do three computational thinking activities create algorithms to make images with tangrams; create mad libs and craft suncatchers to learn more about algorithms, abstraction, functions, and variables; and create a personal innovation to discover rapid prototyping.</p>	<ul style="list-style-type: none"> • College Computer Science Department • Software Application Developer • Programming Website for Kids • IT Specialist/Web Developer • Computer Programmer • Tech Museum
Think Like an Engineer		<p>Find out how engineers use design thinking to solve problems. Do three design thinking activities; design and build a paper structure that can support the weight of heavy books, an emergency shelter, and a prototype of a structure that can withstand an earthquake's shaking.</p>	<ul style="list-style-type: none"> • Engineering Website for Kids • First Lego League • Science Center • Engineer
