

Senior Journey Overview

Title	Badges	Description <small>*All Journeys require a Take Action Project related to the Topic*</small>	Community Resources
It's Your Story—Tell It: Mission: Sisterhood!		Discover the benefits of sisterhood and ways to nurture healthy friendships. Invite a women's shelter counselor to speak, role-play friendship scenarios to explore trust, or make a collage about what sisterhood means. Organize a film club that focuses on positive movies about women, help younger girls expand their friendship circles, or host a girls' mixer.	<ul style="list-style-type: none"> • Women's Shelter/Social Worker • Theater/Acting Class/Club • Team Building Workshop • Child Advocacy Agency • Art Museum/Artist • Nutrition Expert • Event Planner • Film Critic
It's Your Planet—Love It: Sow What?		Learn about food: how and where it's grown, harvested, processed, distributed, and consumed, and why it matters. Visit a local farmers market. Share your knowledge with others- host a farmers market, inspire others to eat locally, or plan a community garden.	<ul style="list-style-type: none"> • Culinary School/Chef/Cooking Class • College Agriculture Department • Former Peace Corps Member • Soil and Water Conservation • Food Scientist/Nutritionist • Farm/Beekeeper/FFA • Food Bank/USDA
It's Your World—Change It: GIRLtopia		Develop your vision of an ideal world and acquire the skills to make it a reality- paint a mural, write a poem or story, film a video, or perform a show about ways society can improve. Visit a local art museum and address an issue in your community.	<ul style="list-style-type: none"> • Artist/Art Class/Recording Studio • Government/Civil Rights Lawyer • Woman-Owned Business • Journalist/News Office • Advocate for Women • Parks Department
Outdoor		Deepen your outdoor skills when you earn your Adventurer, Senior First Aid, and Adventure Camper badges. Help make your favorite park, beach, or forest a better place for everyone.	<ul style="list-style-type: none"> • CSA Astronomy/Naturalist/Trailblazers • College Astronomy/Geography Dept. • Wildlife Sanctuary/Zoo/Aquarium • State/National Park or Forest • Campground/Outdoor Store • Planetarium/Observatory
Think Like a: Citizen Scientist		Find out how citizen scientists make observations, collect data and help scientists conduct scientific research. Do three citizen science activities: make observations about your environment, design a way to test a hypothesis, and a SciStarter project.	<ul style="list-style-type: none"> • Wildlife Sanctuary/Zoo/Aquarium • State/National Park or Forest • College Science Department • Scientist/Science Teacher • Science Center/Museum • City Council Member
Think Like a: Programmer		Find out how programmers use computational thinking to solve problems. Do three activities: create rules for how to stack cards to share messages and learn about encoding information, develop an algorithm for building a simple block arrangement, and test whether an app will meet a user's needs to explore user-centered designs.	<ul style="list-style-type: none"> • College Computer Science Department • Computer Systems Engineer/Analyst • Software Application Developer • Programming Website for Kids • Business Intelligence Analyst • Web Developer/IT Specialist • Computer Programmer • Tech Museum
Think Like an: Engineer		Find out how engineers use design thinking to solve problems. Do three design thinking activities: design and build prototypes of a can holder that isn't harmful to animals, a kinetic sculpture, and an assistive device for the elderly.	<ul style="list-style-type: none"> • College Engineering Department • Engineering Company/Website • Society of Women Engineers • Science Center/Museum • Army Corps of Engineers • First Lego League
