

Activity 3: Planning Envelopes

Instructions:

Divide participants into small groups and give groups one of the following scenarios in an envelope. Each group will prepare and present a short skit showing how planning for this event can be Girl-led. The purpose of the skit is to present the facts of a project or event, so other leaders can determine if this is Girl-led or not. Feel free to choose your own scenarios too!

Scenarios for Envelopes:

- Going to Build-A-Bear
- Visit to Great Wolf Lodge
- Choosing badges for the year
- Troop attending TAC Camp
- Planning your Bronze Award
