

Activity 3: Line-up

Instructions:

- Separate everyone into teams. 5 or 6 per team is the ideal number, and if you have mixed ages, mix them up!
- One person is the caller. They call out “Everyone please line up ...” and fills in the blank with a statement such as the suggestions below. All the players race to find the right order and shout when they are finished.

Ideas:

- Everyone please line-up in order of age, oldest at the front, youngest at the back
- Everyone please line-up in first name alphabet order
- Everyone please line-up by height, shortest first
- Everyone please line-up according to your birthdays - first in the year goes first
- How many cousins do you have? Line-up with the least cousins in front
- What color is your top? Line-up in alphabetical order with the earliest letter first

Variations: Make the odd round - or the whole game - a silent one! Players can only communicate with gestures!

Debrief:

- **What?** - What happened? What was observed, etc.?
- **So What?** - What did you like/not like? What surprised you, etc.?
- **Now What?** - What are you going to do with that information? How will you use that information?
