Facility Descriptions—Camp Rolling Hills

Rainbow Lodge, used year round, is a large multi use, wheelchair accessible building with full kitchen facilities, great room with wood burning fireplace and vaulted beam ceiling and an upstairs loft for sleeping. A bathroom with showers is available on the first floor. There is plenty of space to seat 200 persons for program activities and banquets or to sleep 25 persons on mattresses. Outside is a covered porch with picnic tables and rocking chairs.

Woodhull Lodge, located on the north side of camp, is a mirror image wheelchair accessible building with dormitories that sleep 32 persons on each side of the building. In the center is a large open meeting area perfect for program activities. Additionally, there are kitchenettes on both sides with a folding dividing wall down the center of the building.

Whispering Winds, located on the northwest side of camp, has eight platform canvas tents that each sleeps four persons. The tents are spread out through the campsite with a large grassy area and fire ring with bench seating available. Nearby is a kitchen shelter with fireplace cooking facilities, refrigerator and picnic tables. Additionally, there is a latrine and shower building within the campsite.

Tall Oaks (Blue or Green), nestled in the woods, is located to the right of the Prairie Area and has six cabins with five beds in each. There are two screened kitchen shelters within the unit that each have a fireplace, refrigerator and picnic tables. There is also a latrine nearby.

Conestoga Wagons Unit, located on the northeast side of camp, is a secluded and quiet unit. There are five covered wagons each capable of sleeping five persons. Also nearby is a latrine and screened shelter with fireplace, refrigerator and picnic tables.

The **Adirondacks Unit**, found on the east side of camp, is made up of four sleeping shelters that each sleeps four persons. Set in the woods, this unit has a large screened kitchen shelter with fireplace, refrigerator and picnic tables. Outside of the shelter is a fire ring with bench seating and a nearby latrine.
