

## CLEAR THE CUPBOARDS

---

📣 Exciting opportunity! Cookie customers are scrambling to get their hands on their favorite Girl Scout Cookies before they're gone, and we want to give them every chance possible.

**Starting tomorrow, March 13, through Sunday, March 21, earn \$1.25 in troop proceeds for every package you pick up from your local cupboard.**

Plus, Cookies for a Cause donations collected and allocated during this timeframe will also earn \$1.25 in troop proceeds, and additional packages (cupboard pick-ups and Cookies for a Cause!) count toward girl and troop bonus rewards!

Council-sponsored cookie booths and Digital Cookie will still end on Sunday, March 14, but non-council-sponsored booths, cookie stands, and walkabouts can continue through March 21 as you see fit! The Gallop to the Cupboard Challenge will continue for another week as well with winners announced on March 24.

If you choose to take part in this opportunity, please ensure all sold cookies are allocated and rewards are selected in eBudde by Sunday, March 21!

The increased proceeds will be deducted from your final balance that will be withdrawn from your troop bank account on March 31. (Previously we recommended depositing all troop funds into your troop bank account by March 19; you can deposit final payments by March 22 if you're taking part in this opportunity!)

---

**Participation in this promotion is entirely optional!** If your troop has completed all of your Cookie Program activities, you can close your program and make your reward selections as planned. Rewards are still on schedule to begin shipping in April.

Keep in mind, this opportunity is first come, first served, and cookie stock in each cupboard location is limited. The following cookie cupboards will be open during this extended time. Check eBudde for hours and details:
