

Will this affect my troop's per girl average (PGA)?

- No, your troop girl will not affect your PGA, but you will need to move the packages to a girl in order for them to receive credit for rewards.

How do I login? Or I did not receive my login email, what do I do?

- The email was sent by M2 Digital Cookie, check your inbox and spam for an email subject "Direct Ship Troop Link (Virtual Booth Link)"
- If you cannot find it or accidentally deleted it your login will be as follows:
 - Username: WOTroop****@trooplink.com *insert your troop number*
 - Password: Trooplink!
 - Login at gsdigitalcookie.com/gsw and click on the Girls and Parents/Guardian login. After logging in you can change your password and customize your site.

What ways can we use this site?

- Think of your Troop Digital Cookie like a virtual booth! You can promote and share with your friends, families, neighbors and more! Consider making fliers with a QR Code or link, hosting a "booth" on a community Facebook page, or even yard signs! Sites like Facebook Marketplace, and Craigslist are still not permitted but groups are allowed!

How do we share the link?

- First determine if you wish to allow your customers to choose Girl Delivery or if they will only be allowed to purchase Shipped or Donated packages. If shipped/donated only use the link provided to you in your email invite from Digital Cookie.
- If you wish to allow the choice of Girl Delivery login to your Troop Digital Cookie, click "View your Digital Cookie Site" on your dashboard and you can copy and paste the URL wherever it is needed!

I lost my shipped link, what do I do?

- The easiest way to access this link is to send it to yourself. To do this open your Troop Digital Cookie, click "View or Send Emails", click "Add Contact" and enter your own email address, ensure that "Girl Delivery" is NOT checked. Wait for the email to arrive in your inbox, follow the link in your email and then you can copy and paste the URL where needed.
- If that does not work contact Customer Care and they can assist!

Are we required to use the Troop Digital Cookie login?

- No, if your troop does not plan on using their Troop Digital Cookie Link for virtual booths, drive thru booths, or other options you do not need to login.

Troop Digital Cookie Link FAQ

Why aren't my girls listed?

- Think of your Troop Digital Cookie as a “girl” in your troop. Your dashboard upon logging in will look exactly like what a girl sees when she logs in her personal Digital Cookie. The only girls that will be listed are on the Dashboard’s Leaderboard. If you need to manage your girls/troop you will need to login to the administrator side using your Troop Cookie Manager credentials.

I do not see my “Troop Girl” listed in eBudde or Digital Cookie?

- Your troop will be listed in the Troop Cookie Manager’s eBudde as “TroopXXXXX S.” on the girl order tab or “TroopXXXXX Site” on the Girls tab. On your Reports in Digital Cookie you will see “TroopXXXXX Site”, If not there please contact our Customer Care team so that we can get them added for you!
