Below is all you need to know to be sure you are registered correctly, both as a member and in the position(s) relevant for the role you play in the troop.

New Adult Girl Scout Members

Go to gsw.org and click on the big **VOLUNTEER** button. It will take you through the process automatically but here are some key things to keep in mind:

- **Be sure to register for the 2018-2019 membership year.**
- **Selecting an opportunity:** Enter your troop number, if known.
- **The zip code will auto-populate** for you but you can also delete it to search without it.
- Select **Troop Assistant-Cookie Manager** or **Troop Assistant-Fall Product Manager**.
- **Complete payment:** Girl Scout membership is \$25.
- **Complete background check.** An email invitation from theadvocates@verifiedvolunteers.com will be sent to you once membership payment is completed. Girl Scouts of Western Ohio covers the cost of background checks.
