Get the tune in your noodle
Let your feet have fun

Like a ragtime ship on a ragtime sea

Waddle, Waddle, Waddle, Waddle
Come on and waddle with me

The bright sun comes out
The dew falls away,
“Good Morning! Good Morning!”

The Tree Toad
(Tune: Auld Lang Syne)
A tree toad loved a fair she toad
That lived up in a tree
She was fair three-toed tree toad
But a two-toed toad was he

The two-toed tree toad tried to win
The she toad's friendly nod
For the two-toed tree toad loved the
ground
That the three-toed tree toad trod

Now three-toed tree toad have no care
For two-toed tree toad love
But the two-toed tree toad fain would
share
A tree home up above

In vain the two-toed tree toad tried
He couldn't please her whim
In her tree toad bower with veto power
The she toad vetoed him!

**Tom the Toad**

*(Tune: O, Tannenbaum)*

Oh Tom the toad, oh tom the toad

Why did you hop onto the road

You were my friend, but now your dead

Your face is marked with tire tread

Oh Tom the toad, oh tom the toad

Why did you hop onto the road

You did not see that Subaru,

Until it had run over you

Oh Tom the toad, oh tom the toad

Why did you hop onto the road

You hopped upon the yellow line

And now you're just a streak of slime

Oh Tom the toad, oh tom the toad

Why did you hop onto the road

You used to hop from place to place,

But now your feet are in your face

Oh Tom the toad, oh tom the toad

Why did you hop onto the road

You did not see the semi truck,

And now your brains, they look like muck

Oh Tom the toad, oh tom the toad

Why did you hop onto the road

Together in Our Hearts
My dear friend, I’m leaving—but I’ll remember you—
We knew this time would come right from the start;
And even though great distances may keep
us far apart,
We will always be together in our hearts.
From each our separate ways we’ve come together
We’ve shared our laughter, joys and tears;
And though it’s time to say goodbye, embracing as
we part,
We will always be together in our hearts.

This time we’ve shared together, though brief as it
may be,
Will be remembered long after we part.
My life has been enriched by you, and your
enriched by me,
And we’ll always be together in our hearts.
From each our separate ways we’ve come together
We’ve shared our laughter, joys and tears;
And though it’s time to say goodbye, embracing as
we part,
We will always be together in our hearts.

Perhaps our paths will cross again in another place
and time,
Though hours and days and years keep us apart;
I’ll cherish all that we have shared in a place
untouched by time,
And we will remain in our hearts.
From each our separate ways we’ve come together
We’ve shared our laughter, joys and tears;
And though it’s time to say goodbye, embracing as
we part,
We will always be together in our hearts.
(slower) And though it’s time to say goodbye,
embracing as we part.
We will always be together in our hearts.
Yes, we’ll always be together in our hearts.

Animal Fair
We went to the animal fair.
The birds and the beasts were there.
The big baboon by the light of the moon
Was combing his auburn hair.
The monkey fell out of his bunk. (Clap)
He slid down the elephant’s trunk. Weeeee!
The elephant sneezed and fell on his knees.
And what became of the monkey...
Monkey, monkey, monkey.
(Split group...half monkeys, half words)

Annabelle! Annabelle!
Glug, glug glug

The Ants Go Marching
The ants go marching one by one hurrah, hurrah
The ants go marching one by one hurrah, hurrah
The ants go marching one by one, the last one stopped to
Suck his thumb
And they all go marching down into the ground
To get out of the rain, boom boom boom

Two by two...to tie his shoes...
Three by three...to scratch his knee...
Four by Four...to shut the door...
Five by Five...to dance the jive...
Six by Six...to pick p sticks...
Seven by Seven...to look at heaven...
Eight by eight...to shut the gate
Nine by nine...to scratch his spine
Ten by ten...want’s to start again

**Three Little Bears**

Once upon a time in a nursery rhyme
There were three bears- cha cha cha.
One day they went a- walkin’.
In the woods they were talkin’.
When along came a pretty girl.
With long, flowing golden curls.
Her name was Goldilocks.
Up upon the door she knocked.
She didn’t care that no one was there,
She just walked right in, she just walked right in.
Home came those three bears.
“Someone’s been eating my porridge,”
Said the Poppa bear.
Said the Poppa bear.
“Someone’s been eating my porridge”
Said the Momma bear.
Said the Momma bear.
“Hey Momma she- bear,”
Said the little wee bear,
“Someone had broken my chair! Huh!”
Goldilocks she woke up, she broke up, the party.
And she beat it outta there. Hey!
She beat it outta there.
“Bye, bye, bye, bye,” said the Poppa bear.
Said the Poppa bear.
“Bye, bye, bye, bye,” said the Momma bear.
Said the Momma bear.
“Hey Momma she- bear,” said the little wee bear.
“Bye bye bye bye bye bye. Huh!”

Take my light around the block...
Hide it under a bushel? NO!...

Barges
Out of my window looking in the night
I can see the barges’ flickering light
Silently flows the river to the sea
And the barges too go silently
Chorus: Barges, I would like to go with you
I would like to sail the ocean blue
Barges, have you treasures in your hold
Do you fight with pirates brave and bold
2. Out of my window looking in the night
I can see the barges’ flickering light
Starboard shines green and port is glowing red
You can see them flickering far ahead

Taps
Day is done, gone the sun
From the sea, from the hills, from the sky
All is well, safely rest, God is nigh
Fading light, dims the sight
And the star gems the sky, gleaming bright
From afar, drawing nigh, falls the night
Thank and praise for or days
‘Neath the sun, ‘neath the stars, ‘neath the sky
As we go, this we know, God is nigh

Tell Me Why (silly verses)
Tell me why the bugs do bite
Tell me why the campfire won’t light
Tell me why the tent fell down
Tell me why we slept on the ground
Because they’re hungry, the bugs do bite
Because the wood’s wet, the campfire won’t light
Because we’re sloppy, the tent fell down
Because we’re crazy, we slept on the ground.
Take Me Back to Camp Libbey
Take me back to Camp Libbey
(fingertips curled together moving arms back and forth)

Bear Song
The other day...I met a bear...a great big bear...
Oh way out there
He looked at me...I looked at him...
He sized up me...I sized up him
He said to me...why don't you run...
I see you ain't...got any gun
And so I ran...away from there...
But right behind...me was that bear
Ahead of me...There was a tree...
A great big tree...o glory be
The lowest branch...was 10 feet up...
I'd have to jump...and trust to luck
And so I jumped...into the air...
but missed that branch...a way up there
Now don't you fret...and don't you frown...
for I caught that branch...On the way back down
This is the end...there ain't no more...
unless I meet...that bear once more

The beetles and the bedbugs were having a game of ball
The score was six to nothing the beetles were ahead
And then they hit a homerun that knocked me out of bed
Signing ennie meenie and a minnie moe

I woke up Tuesday morning and looked upon the wall
The beetles and the bedbugs were having a game of ball
The score was seven to nothing the beetles were ahead...

Chorus:
Me take care of me Belly Button

In it grows a fungus green.

When I was just a little baby
My mother looked and she adored

When he cut off the umbilical cord...Chorus

Some people they have an “inny”
Deeper than the Grand Canyon
Some People they have an “Outty”
Bigger than the astrodome...Chorus

In the winter time I wear a sweater
The one my Aunt Nellie sent
And when I take it off at night time
My Belly Button she is full of lint...Chorus

**Black Socks**
Black Socks, they never get dirty,
The longer you wear them the stronger they get!
Sometimes I think I should wash them
But something keeps telling me
No, no, not yet!
(not yet, not yet...)

Knee sox, they never stay up,
The more that you wear them the downer they get
Sometimes I think about anklets,
But something inside me says, “Oh no, not yet.”
(not yet, not yet...)

White socks, they always get dirty
The longer you wear them, the weaker they get
Sometimes, I think I shouldn’t wash them
But something inside me says “Do it right now!”
(right now, right now...)

**Sipping Cider Through a Straw**
(to the tune of “The Littlest Worm”)

The cutest guy...I ever saw
Was sipping ci-der...Through a straw.

I asked him if...He’d show me how
To sip that ci-der ...Through a straw.

Then cheek to cheek...And jaw to jaw
We sipped that ci-der...Through a straw.

Every now and then...The straw would slip
And we’d sip ci-der...Lip to lip.

The parson came...To my backyard
A-sipping ci-der...From a straw.

And now I have...A mother-in-law
And fourteen kids...To call me Ma.

The moral of...This little tale
Is sip your ci-der...From a pail!

**Bug Juice**
(to the tune of “On Top of Old Smokey”)
At Camp Libbey this summer,
They gave us a drink,
We thought it was Kool-aid,
Because it was pink.

But the thing that they told us,
Would have grossed out a moose,
For that good tasting pink drink,
Was really bug juice.

It looked fresh and fruity,
Like tasty Kool-aid,
But the bugs that were in it,
Were murdered with Raid.

We drank by the gallons,
We drank by the tons,
But then the next morning,
We all had the runs.

Next time you drink bug juice,
And a fly drives you mad,
He's just getting even,
'Cause you swallowed his dad.
Camp Libbey Song
(Sung to You’re a Grand Old Flag)
You’re a grand old camp,
You’re a wonderful camp
And you always, always will be
When we’re here with you,
Our dreams come true
Camp Libbey we’re faithful to thee
We have watched you grow,
We have told you hello
And we never will say goodbye
Our hearts are true, we’re all for you
Camp Libbey will never die — Hey!

(Tune: Battle Hymn of the Republic)

Mine eyes have seen the horror
Of the coming of the frogs
They are sneaking through the swamps
They are lurking under logs
You can hear their mournful croaking
Through the early morning fog
The frogs keep hopping on

Chorus:
Ribbit, Ribbit, Ribbit, croak, croak (repeat 3x)
The frogs keep hopping on

And their croaking fills the air
There’s no place to escape to
‘Cause the frogs are everywhere
They’ve eaten all the flies
And now they’re hungry as a bear
The frogs keep hopping on

Chorus

I used to like the bullfrogs
Liked to touch their slimy skin
Liked to put them in the counselor’s tent
To hear them scream again
Now they’re knocking at the cabin door,
I can’t let those frogs come in
The frogs keep hopping on

And are heading down the hall
They have trapped me in the corner
And my back’s against the wall

Do Your Ears Hang Low?
Do your ears hang low, do they wobble to and fro?
Can you tie them in a knot,
Can you tie them in a bow?
Can you throw them o'er your shoulder like a continental solider?
Do your ears hang low?

Do your ears stick out, can you waggle them about?
Can you flap them up and down
As you fly around the town
Can you shut them up for sure
When you hear an awful bore?
Do your ears stick out?

Do your ears stand high, do they reach up to the sky?
Do they hang down when they're wet
Do they stand up when they're dry
Can you semaphore your neighbor
With a minimum of labor?
Do your ears stand high?

Strummed her gui-ta-a-a-ar
Oom, plucka, plucka, Oom, plucka plucka, Oom pluck pluck PLINK!
Oom, plucka, plucka, Oom, plucka plucka, Oom pluck pluck PLINK!

He sat down beside her and smoked his cigar
He said that he loved her but oh! How he lied
They were to be married but somehow she died
He went to her funeral but just for the ride

He sat on her tombstone and laughed 'til he cried
The tombstone fell over and squish-squash he died
She went up to heaven and flittered and flied
He went down below and sizzled and fried
The moral of this song is never tell lies!

**On My Honor**
Chorus: On my honor I will try
There’s a duty to be done and I say I
There’s a reason here for a reason above
My honor is to try and my duty is to love

People don’t need to know my name
If I’ve done any harm then I’m to blame
When I help another, I help me
If I’ve opened up my eyes to see

I’ve tucked away a song or two
If you’re feeling low, there’s one for you
When you need a friend, then I will come
There are many more where I come from

Come with me where a fire burns bright
We can even see better by a candle’s light
But we find more meaning in a campfires glow
Then we’d ever learn in a year or so

We’ve made a promise to always keep
And to sing day is done before we sleep
We’ll be Girl Scouts together and when we’re gone
We’ll still be trying and singing this song

**Down by the Bay**

My Dungarees
Chorus: My dungarees
My old dungarees
They’re worn at the bottom
Got holes in the knees
My dungarees
My old dungarees
So comfy just to wear around
I got my first pair of dungarees
When I was just two
I wore them in the daytime
And in the nighttime too
I wore them playing baseball
And I wore them climbing trees
Oh lord how I love
My faded dungarees

Well I gotta another pair
At four and six and eight
I sometimes cut them off
To go swimming in the lake
I wore them playing baseball
And I wore them climbing trees
Oh lord how I love
My faded dungarees

My teens and my twenties
My thirties now are gone
My forties and my fifties
Will soon be moving on
But when I’m in my nineties
I’ll still be climbing trees
Can you guess what I’ll be wearing
My old dungarees

Flicker

The flicker of a campfire, the wind in the pines
The moon in the heavens, the stars that shine
A place where people gather to make friends of all kinds
A place where all our troubles are always left behind

So give me the light of a campfire, warm and bright
And give me some friends to sing with; I’ll be here all night
Love is for those who find it; I found mine right here
Just you and me and the campfire and songs we love to hear

So let the campfire flicker long into the night,
And let the dreams we cherish remain in sight.
Love is for those who find it, I’ve found mine right here.
Just you and me and the campfire and songs we like to hear.

But Matilda was doing her “Gorilla thing”
Finally the circus man came along
He said, Matilda, I know where you’ll fit
And belong. We’ll put you in the circus to
Sing your songs and you can monkey around all day long
Matilda was happy as can be,

Near the dark and murky Rhine,
Dwelt a doctor, the concoctor
Of the monster, Frankenstein.
Oh my monster oh my monster,
Oh my monster, Frankenstein,
You were built to last forever,
Dreadful scary Frankenstein.
In a graveyard near the castle,
Where the moon refused to shine,
He dug for noses and for toeses
For his monster, Frankenstein.

Leaders
(Tune:Barges)
Out of my tent flap looking in the night
I see the counselors, what a sight!
Curlers in their hair and cold cream on their face
They look like something from outer space
Counselors, I would like to be like you
I would like to have some privileges too
Counselors, have you cookies that you hold
Do you share with campers brave and bold
Out of my tent flap looking in the night
I can see those counselors having a fight
Silently goes a pillow through the air
and here comes someone’s underwear
Counselors, I don’t want to be with you
I would probably end up black and blue
Counselors, have you cookies that you hold
do you share with campers good as gold?

Going to Camp Libbey
(to the tune of “Oh, Susanna”)

Going to Camp Libbey,
So don’t you cry for me.
I’ll come back good and dirty,
So you’ll never know it’s me.

I scrubbed the night before I left,
My hair was nice and clean.
My mother was so proud of me,
But not for long you see.

While hiking at Camp Libbey,
I found the perfect pet.
But I had to leave my friend behind,
Because he scared the Vet.

Going to Camp Libbey,
So don’t you cry for me.
I’ll come back good and dirty,
So you’ll never know it’s me.

With his hands in his pockets
And his pockets in his pants
Have you ever seen a fishy do the hootchy-kootchy dance
You never did (clap**clap**)
You never will (clap** Clapp**)  
Have you ever seen a fishy oh way down south
Have you ever seen a fish with a sucker in his mouth
With his hands in his pockets
And his pockets in his pants
Have you ever seen a fishy do the hootchy-kootchy dance
You never did (clap**clap**)
You never will (clap** Clapp**)  
Have you ever seen a fishy oh way out west
Have you ever seen a fishy with a polka dotted vest
With his hands in his pockets
And his pockets in his pants
Have you ever seen a fishy do the hootchy-kootchy dance
You never did (clap**clap**)
You never will (clap** Clapp**)  
Have you ever seen a fishy watching beauty and the beast
With his hands in his pockets
And his pockets in his pants
Have you ever seen a fishy do the hootchy-kootchy dance
You never did (clap**clap**)
You never will (clap** Clapp**)

I-Vee
(Sung to My Bonnie)
My body has calamine lotion
My body’s as sore as can be
The flowers I gathered for granny
Turned out to be poison I-vee
Don’t touch, don’t touch
You’ll get a rash from I-vee
It will, itch bad
And it looks worse than ac-nee

It Isn’t Any Trouble
(to the tune of “Battle Hymn of the Republic”)
It isn’t any trouble just to S-M-I-L-E
It isn’t any trouble just to S-M-I-L-E
Whenever you’re in trouble
It will vanish like a bubble
It isn’t any trouble just to S-M-I-L-E

Other Verses:
It isn’t any trouble just to G-R-I-N
It isn’t any trouble just to L-A-U-G-H

It’s Not Hard
It’s not hard I tell you so,
Just sing along and go like so!

Actions:
1st verse: slap hands on thighs, eight slaps to each line
2nd verse: slap hands on thighs, clap hands; 4 actions to each line
3rd verse: slap hands on thighs, clap hands, snap fingers; repeat, end by slapping hands on thighs again. This action is repeated once for each line
4th verse: slap hands on thighs, cross arms to slap hands on opposite thighs, slap hands on thighs, clap hands, snap fingers, clap hands, slap thighs. This action is repeated once for each line.

The secret to the actions is whenever you get lost, remember to always hit your knees at the word “just”!

Repeat the song a number of times, getting faster. You can also try doing just the actions and no words!
I Met a Polar Bear
(to the tune of “The Littlest Worm”)

The other day,
I saw a bear,
A big white bear,
I had to stare. (repeat)

He stared right back,
And seemed to grin,
His long white fangs,
Hung to his chin. (repeat)

He moved toward me,
Upon four paws,
And those four paws,
Held six-inch claws. (repeat)

I couldn’t move,
My feet were froze,
As I saw steam,
Shoot from his nose. (repeat)

But I was safe,
Because I knew,
This polar bear,
Was at the Zoo! (repeat)

Inright Outright
I’m inright, outright, upright, downright happy all the day.
I’m inright, outright, upright, downright happy all the day.
Since I came to Camp Libbey
I’m happy all the day!
I’m inright, outright, upright, downright happy all
The day...Hey!

Hello
(Sung to Auld Lang Syne)

I love to hear the word Hello
Wherever I may go
It’s full of friendship
And good cheer
And warms the heart up so
Hello, Hello, Hello, Hello
Hello, Hello, Hello...
When e’er we meet
Like friends let’s greet
Each other with Hello
Hello, Hello, Hello, Hello
Hello, Hello, Hello...

Hello!
Hello, hello, hello, hello (in a four part harmony)
We are glad to meet you
We are glad to greet you
Hello, hello, hello, hello (in a four part harmony)
Herman the Worm

Chorus:
Herman the Worm all his hearts were broken
But he never gave up on love
Herman the worm all his hearts were broken
But her never gave up on love

Now Herman was squirmin’ his way back to his home
His girlfriend, named Sally, had left him all alone
She changed into a butterfly
And flew away into the sky
But he never gave up on love

Now Herman, that sad soul, he had a tragic life
His father was fish bait, the early bird got his wife
His grandma wasn’t very sly
She ended up in an apple pie
But he never gave up on love

Now Herman, he found him another love so strong
As they courted in the green grass a lawn mower came along
The couple never had a clue
That breakin’ up was hard to do
But he never gave up on love

Like Herman our hearts ache when troubles come our way
It seems like those troubles will darken up our day
But everyday starts brand new
And Herman tells us what to do
OH, never give up on love!

Hermie the Wormier

Sittin’ on my fencepost, chewing my bubblegum
(chew, chew, chew, chew)
Playing with my yo-yo, wee-oo! Wee-oo!
When along came Herman the worm
And he was this big (make a motion as if measuring a tiny worm)
And I said: “Herman? What happened?”
“I ate my mother.”

(repeat verse, with worm action getting larger and larger for each of the following lines)
“I ate my father.”
“I ate my brother.”
“I ate my sister.”
“I ate my dog.”
(repeat verse one last time, with a tiny worm action for: “I burped”

I’m A Nut

I’m a little acorn round
Lying on the cold hard ground
People come and step on me
That is why I’m cracked you see

Chorus: I’m a nut, I’m a nut, I’m CRAAYYYYY-ZY

Called myself up on the phone
Just to see if I was home
Asked myself out on a date
“Pick me up at a quarter past eight”

Chorus

Took myself to the picture show
Sat myself on the very back row
Put my arm around my waist
Got so fresh I slapped my face!

Chorus

**Hippo Song**

What can make a hippopotamus smile?
What can make her walk for more than a mile?
Not parties with their paper hats
Nor candies nor cakes that make her fat
That’s not what hippos do!
What do they do?

THEY Ooze in the gooze without any shoes
They wade in the water ‘till their lips turn blue
And that’s what hippos do!

What can make a hippopotamus smile?
What can make her walk for more than a mile?
It’s not a tune on the old violin
Or listen to the whispering wind
That’s not what hippos do!
What do they do?

THEY Ooze in the gooze without any shoes
They wade in the water ‘till their lips turn blue
And that’s what hippos do!
**Hole in the Bucket**

There’s a hole in the bucket dear Liza der Liza
There’s a hole in the bucket deal Liza a hole
Then fix it dear Henry, dear Henry, dear Henry
Then fix it dear Henry, dear Henry fix it

With what shall I mend it...with a straw
The straw is too long...then cut it

With what shall I cut it...with a knife
The knife is too dull...whet the knife

With what shall I whet it...with stone
The stone is too rough...smooth the stone

With what shall I smooth it...with water
In what shall fetch it...in a bucket
There’s a hole in the bucket

**Hump-Te-Dump Rap**
